GV-Live Streaming for iOS Version History

Version 1.0.2 2020-09-11

Fixed:

- Chances of failure to display the status of connected GV-VMS on the Stream List, if the e-mail address bound to the GV-Relay account includes a space

Changed:

- Function for purchasing license and data removed. Purchase of license and data must be made upon request through GeoVision sales representatives.
- Copyright notices accessible on the App interface

Version 1.0.1 2020-05-22

Improved:

- Improvement on 4G connection
